

Small talk

What is your most favorite day of the week? Least favorite? Why did you choose these?

My favorite day of the week is Saturday. It's the day I get to do whatever I want. Usually it's something fun. How about you?

My favorite day of the week would be Friday, I feel relaxed and looking forward to the weekend. I can sleep in Saturday morning. My least favorite would be Monday, of course due to having to go back to work.

Deep questions

Is there something you've dreamed of doing for a long time? Why haven't you done it?

I've dreamed of opening my own theatre for a long time. I have such a passion for education through theatre and would love to have my own business surrounding that. Finances is what stops me.

That's really neat. Similarly, I have longed to have my own restaurant. But the start up costs the high failure rates scare me too much to pursue it.
